Payroll Giving is easy

- Decide which registered charity, or charities, to donate to;
- Complete and submit a [Payroll Giving Donation Form](#) and
- Payroll will send your donation each pay period to Charitable Giving to pass on to your chosen charity, or charities.

Why it makes sense

- You pay less tax - your donation is taken from your pay before tax is deducted, reducing the impact on your take-home pay;

	You Donate	
	£1 per week	£5 per week
Cost to you as a 20% tax payer	80p	£4
Cost to you as a 40% tax payer	60p	£3

- First donates too - Give to ~~MacMillan Cancer Support~~ our Charity of Choice, and FirstGroup will match your first month's donation;
- It's flexible - Change the amount you give, or the charity you donate to at any time;
- It's confidential - Payroll Giving is completely voluntary and confidential.
